

Bonnie People Project- August 2019

Early Childhood Development, After School Care and Skills Development Facility

We love sharing our work and passion with visitors and this month we welcomed some old and new friends to the project. Francis Faber from Luxembourg brought some new friends with him. Steffi Thill and her husband also paid a visit and was very impressed with all the changes since their last visit. Alistair Goold also brought some visitors to share our work with, they even bought some of our BPP Products

Megan Williams and Magda Marero from the Department of Health started with a programme for girls and will visit them once a month to discuss some of their concerns and life issues.

We would like to thank Hendrik Kleynhans and his wife from Arise Garage in Montagu for their generous donation of 33 blankets.

This month we celebrated Christa Godfrey's birthday on the 20th, Justin Champions' on the 22nd, Anathi Nkanyuza on the 23rd and Theuns Coetzee on the 29th of August. We wish them all the best for the years to come.

Our Wordworks Parent training started this month and we welcomed parents from Teletubbies, Kapteintjies and Bonnie People participating in the 8 sessions.

On the 7th of August we also visited another NGO Helpende Handjies in Montagu to give them some of the winter bags we received from the church.

In the last couple of months Bonnie People have been working closely with Teletubbies and Kapteintjies. Between the 3 schools we provide education and care to about 190 children each day. Thanks to the staff of the schools for their dedication and passion for the children.

On the 2nd of August the ECD went on an outing to Bird's Paradise in Robertson to learn more about the theme of the week, Birds. We would like to thank Kapteintjies for assisting with the transport of the children.

It is always fun to watch the children at play and they will most of the time copy what the teacher does. During visits to the classes the children will show of their work with pride and joy. As the weather is becoming more pleasant and warm they love spending time outside, playing, listening to stories or having lunch. They love singing and always sing for visitors and on the teachers birthdays.

Youth and After School Care - August 2019

Jayden Isaacs and Jonathan Adendorf had their artworks showcased at the Montagu Art Festival. The festival took place from 14th until 24th of August 2019. Both Jayden's artworks that were entered for the competition were certified Bronze.

Jonathan's artworks got great reviews, one was certified Gold and the other one got silver. They were really excited about the experience of being in a group exhibition.

The **Langeberg LFA (Local Football Association) Junior League** has been long overdue and it finally kicked off on Sunday the 18th of August 2019. With the project's soccer team also taking part in this highly anticipated competition, our **Bonnievale Shining Stars FC** really played well.

Although the results of the match did not match up to their enormous efforts on the field as they were defeated 2 – 1 by Robertson Peacemakers FC in their first league, they have really showed team work. With thirteen (13) more games still left, there's still high possibility for **Shining Stars** taking the league and perhaps have one the best performers in the league at the end of the season. Already one of our players has registered himself to the list of league goal scorers with one goal.
