

Bonnie People Project- September 2019

Early Childhood Development, After School Care and Skills Development Facility

On the 27th of September we had our first get-together for ECD schools in Bonnievale , it was a fun filled evening where staff and board members from Bonnie People, Kapteintjies, Teletubbies and Lammeroes could enjoy good food and company.

On the 30th of September all schools and various stakeholders were invited to have a dialogue with our some of our Luxembourg board and colleagues.

September was a very busy and educative month at Bonnie People. Over the course of three days Wordworks trained teachers from 8 schools who have been facilitating the parent programme for Wordworks on new material for the Parenting course.

We would like to congratulate Oom Jurie ,our bus driver on his birthday on the 26th ,as well as his Anniversary on the 27th of September.

The 24th September was a public holiday , Heritage day and the staff and children celebrated by creating colorful posters

It is amazing how children learn and sometimes find a better way of doing something than what they are taught. The pictures above is a good example of that. The children had to tear some paper and paste it inside the circle, this one decided biting the pieces of will work just as well.

After 3 months at BPP it was time to say good bye to Mahleen Dahlke from Germany. Thank you for your assistance in the classrooms every morning and the kitchen in the afternoons

We encourage the children to take pride in their work and here they are discussing pictures they drew about themselves.

WE would like to thank Mac Kuhn from Wordworks Langeberg for making us one of the schools they visited to read stories to during National Book Week.

Youth and After School Care - September 2019

Early Childhood Development, After School Care and Skills Development Facility

Our girls had another outing to a women's conference held by Jenna Leigh Bilong, a motivational speaker and newsreader on SABC2 , who grew up in Bonnievale. It is important to introduce the children to people from the same background as they to show them that they can become anything.

National Book week was held from the 2nd -6th September. We were privileged to be invited to the event held in Bonnievale on the 2nd . Our girls were asked to provide entertainment by dancing. Afterwards they met the Minister of Cultural Affairs and Sport. Throughout the week we focused on the importance of books and the ability to read.

Education do not always happen in the classroom but you can teach wherever you are, like doing shopping for the Projects. The girls enjoyed the trip to Spar and delivering the food to Kapteintjies and Teletubbies
