

Bonnie People Project – February 2018

Early Childhood Development, After School Care and Skills Development Facility

The outside of the new building for the youth has been completed and now the next phase will be to complete the inside.

Cathy Visser finally received her level 4 Certificate.

The excitement is running high as we can already see ourselves using this space in the afternoons.

The staff attended Kapteintjies' Valentines day Event as well as a Wordworks training this month.

Early Childhood Development- February 2018

Early Childhood Development, After School Care and Skills Development Facility

Kids learning to love brushing their teeth. They practice good hygiene and develop their fine motor skills.

Recognizing different colours in magazines and pasting it to the right colour.

Here they learned about different colours. Painting a blanket.

Learning and playing. Developing gross motor skills and having fun running

The kids are so creative. Here they are building their own town and factories.

Youth and After School Care – February 2018

Early Childhood Development, After School Care and Skills Development Facility

Some of the new and exciting activities is the Dance classes on a Tuesday by Kia, a Matriculant at High School Bonnievale

The boys and girls are being trained by Elton and Marie in various sports like soccer, netball and basketball.

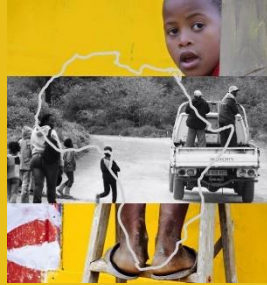

Choir Practices on a Wednesday By Odwa Mvunge from Ashton

We would like to thank Pamela and Edwin from England for taking the children on their annual outing to the beach. Staff and children enjoyed the sun and sea despite being stung by the famous Bluebottles.

And Self-defence by Gideon Coetzee and Christiaan Steenkamp from Ashton
