Cathy, Lethu and Marie love keeping the children busy with stories and colouring activities.

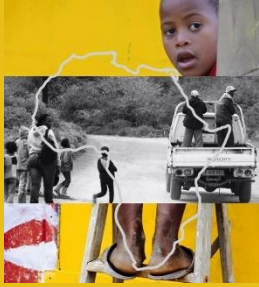

The first week of the were a very busy week for teachers and students alike as the got ready for school, covering book.

The children love coming to the project and just make a quick stop at home come running to the Project.

A big thank you to Mooivallei Dairy for their generous donation of 10lt of milk each day and Jam for making sure we have enough porridge each month.
