

Bonnie People Project - October 2017

Early Childhood Development, After School Care and Skills Development Facility

On Sunday 22 October we had our 3rd annual Duck Derby

We raised more than R20 000 for our New Youth Building

The winners were:

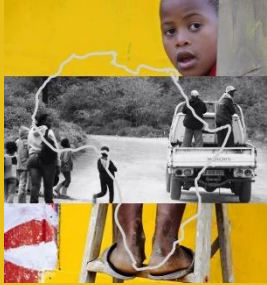

- First prize: Ryno Ellis
- Second prize: Jacob Weideman
- Third prize: Laudette Suss

The Zolani Youth Choir did a special performance for festival goers during the Wine on the River Festival.

This partnership is going from strength to strength

Now that the storms have settled it is time to fix our stoep and main building. Tjaart has joined us to oversee all maintenance

PROJECTS

Early Childhood Development- October 2017

Early Childhood Development, After School Care and Skills Development Facility

Our playground equipment has been painted and fixed. The children love the colours and playing on the new slide.

We are getting ready for the annual concert that will be taking place during November. There is lots of practising, singing and dancing.

Spring has eventually arrived in Bonnievale and our children love to play outside and enjoy the beautiful weather.

Youth and After School Care- October 2017

Early Childhood Development, After School Care and Skills Development Facility

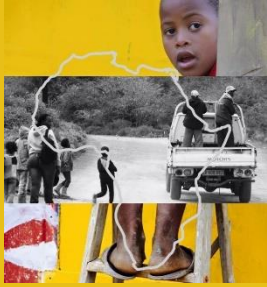

We now have some wonderful seamstresses and aspirational designers. The young ladies are at the project every day sewing, either on order or designing and making their own clothes

Each of the boys in the literacy classes have got their own garden. Currently we have water sanctions and they will be watering their gardens with grey water

Board games have become very popular and the children love this method of learning
